Historian's Report

- Dave showcased old pictures and MSC committees. Dave joined W5AC over 50 years ago. W5AC Used to be the Memorial Student Center Amateur radio committee. The shack used to be in the MSC since we were part of the center. Officers had to be approved by the MSC. Dave described his experience as being a part of the MSC. Dave had 2 current yell leaders in his fish camp group. We are the oldest college club in the country that has the same callsign. The bureau of navigation originally issued call signs before the FCC. We have a shack not a studio because the captain of a cruise ship didn't have a spot for a radio room, so they built the radioman a shack on the top of the ship. Dave showcases his SSTV images for the space station
