# Historian's Report

The background of the slide features a tall, lattice-structured radio tower with a horizontal cross-arm supporting a multi-element antenna. The scene is set against a deep purple, hazy sky. On the left side, there is a faint, semi-transparent image of a person in a military-style uniform, possibly a historical figure, with the word "REVELLE" visible on their chest.

  - Offer them to the community next.
  - What's left over is free to whomever
- Do you have an different Idea? Let us know
- If some of your property is at the shack, please come and get it.
