- Meeting Minutes from December Meeting

Treasurer's Report

- General (00000) – \$3,195.82
- Test Fee (20000) – \$21.40
- Marketplace (30000) – \$1,184.88
- 99999 – \$735.30

ARRL Jan VHF Contest report

- 7 contacts with 3 grid squares

Upcoming Events

A tall, lattice-structured metal tower stands vertically, supporting a large, multi-element antenna array. The tower and antenna are silhouetted against a soft, purple-hued sky. The antenna consists of a horizontal boom with several vertical elements extending from it, and a series of thin wires radiating from the top of the tower.

- Winter field day
 - Am. Leg. Post 159 w/ W5BCS
- CW Kit Build:
 - Planned for ~~January~~ February 2023
- School Club Roundup
