Quotes (Who said it?)

- Is that an alien? Never mind it was an undergrad trying to use a microwave.
- Is this frequency in use (146.565)
- Things they tell you to say no to later in life: I've said no to rf burns more than I've said no to drugs
- I think [Bob] said something like I'm one of his favorite team leads right now 😂
- I'm sure glad the people who showed up weren't feds
